

# SOCIAL DISTANCING HYGIENE SCREENS

Screens are a great way of preventing the spread of COVID-19 and offer protection to your staff and customers.

## Counter Standing Wraparound Sneeze Guard

- Front payment slot
- Angled sides protect the cashier better than a flat sneeze screen
- Single piece angled sneeze screen for extra strength and quick installation

### DESCRIPTION

#### What is the Counter Standing Wraparound Sneeze Guard?

Our Counter Standing Wraparound Sneeze Guard is made from a single sheet of high-impact PETG and features angled sides to better protect cashiers and customers when checking out. When installed at the checkout, this screen provides extra protection from germs and allows customers to make payment using the payment area at the bottom. Made from high-quality 3mm PETG, this sneeze guard features rounded corners and has smooth polished edges for extra safety.
